

**Resolution approving plans and authorizing the advertisement for construction of sewer mains in the Cleveland Heights Phase III subdivision, Blendon Township
(Sanitary Engineering)**

WHEREAS, Franklin County Sanitary Engineers desire to construct sewer mains in the Cleveland Heights Phase III Subdivision; and,

WHEREAS, the Franklin County Board of Health and the Ohio Environmental Protection Agency have determined septic and aeration systems in the area known as Cleveland Heights are polluting area streams and ditches; and,

WHEREAS, the cost for the sanitary sewer construction will be paid from loans and grants received by the Franklin County Sanitary Engineering Department; and,

WHEREAS, the plans for this project have been approved by the Franklin County Sanitary Engineer on February 13, 2009; now, therefore,

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, FRANKLIN COUNTY, OHIO:

1. That Sanitary Engineering is authorized to advertise for bids for the construction of sewer mains in the area known as Cleveland Heights Phase III, Sewer Improvement #1037, Blendon Township is hereby approved.
